VOLUME 9

SEPTEMBER, 2014

Today is my birthday. In some ways it seems really valuable to have a birthday in late August. It is often a time of transition. Summer is over. Autumn begins to arrive, even if it is still unofficial. As a child it always meant that vacation was almost over and school was about to begin again. When I look back at the various times in my life that I moved from one place to another, I realize that most often they were right after my birthday. I left home to go to college right after my birthday. We moved to Wenatchee in 1974 right after my birthday. I accepted the call to serve as pastor of the Klamath Falls church beginning on September 1<sup>st</sup>, 1978, right after my birthday. When we left Klamath Falls to go to Bethany Seminary, we had a combination party to say "Happy Birthday" and "Goodbye" all at the same time. The list could go on for a while, but the point is that, because of where my birthday falls, it has often become a point of change for me. So at my birthday I often begin to look forward to new adventures and experiences.

This year as summer comes to an end I hope you will join me in looking forward to new adventures and experiences. **Our regular schedule for worship will resume on September 7<sup>th</sup>. On that Sunday the Adult Sunday School class will begin at 9:30. Our time of worship will move to 10:25.** The days will gradually get cooler. District Conference for the Church of the Brethren will be held in Portland during the last weekend of September.

We have a special Sunday scheduled for November 16<sup>th</sup>. David Radcliff, who provides leadership for the New Community Project, will be with us that week. Then we will be hosting the autumn Love Feast. The Brethren/Baptist church will be joining us for both of those events. And of course, the season of Advent begins right after Thanksgiving. It already seems like a busy fall. But part of the joy of transition is the surprise factor. We never really know what is in store for us. Please join me in looking forward in anticipation. Something unexpected and wonderful is bound to pop up just when we think we have everything figured out. Let the fun begin.

Shalom, Michael

SPECIAL OFFERING August 31, 2014

Sunday, September 28<sup>th</sup> there will be a designated Special Offering for Solomon's Porch. This is a special place for young local teens ages 13 to 19 who for various reasons can gather to get support. There are special nights in which programs are available to get some of their needs met and at risk kids have different opportunities during the week days. On Monday's there is a guest speaker, Tuesday nights, they called it a landing, which is a hang-out for teens to address drug related issues. Wednesday the program deals with learning new job skills. Each Thursday night teens can come for a bible study and Friday nights are for viewing a movie. Our support to give kids at risk this location to help them through difficult times and to keep a program as this running is an opportunity for us. Solomon's Porch is located in downtown Wenatchee at 17 So. Mission.
